LAVEEN SCHOOL

LAVEEN, ARIZONA

1977-1978

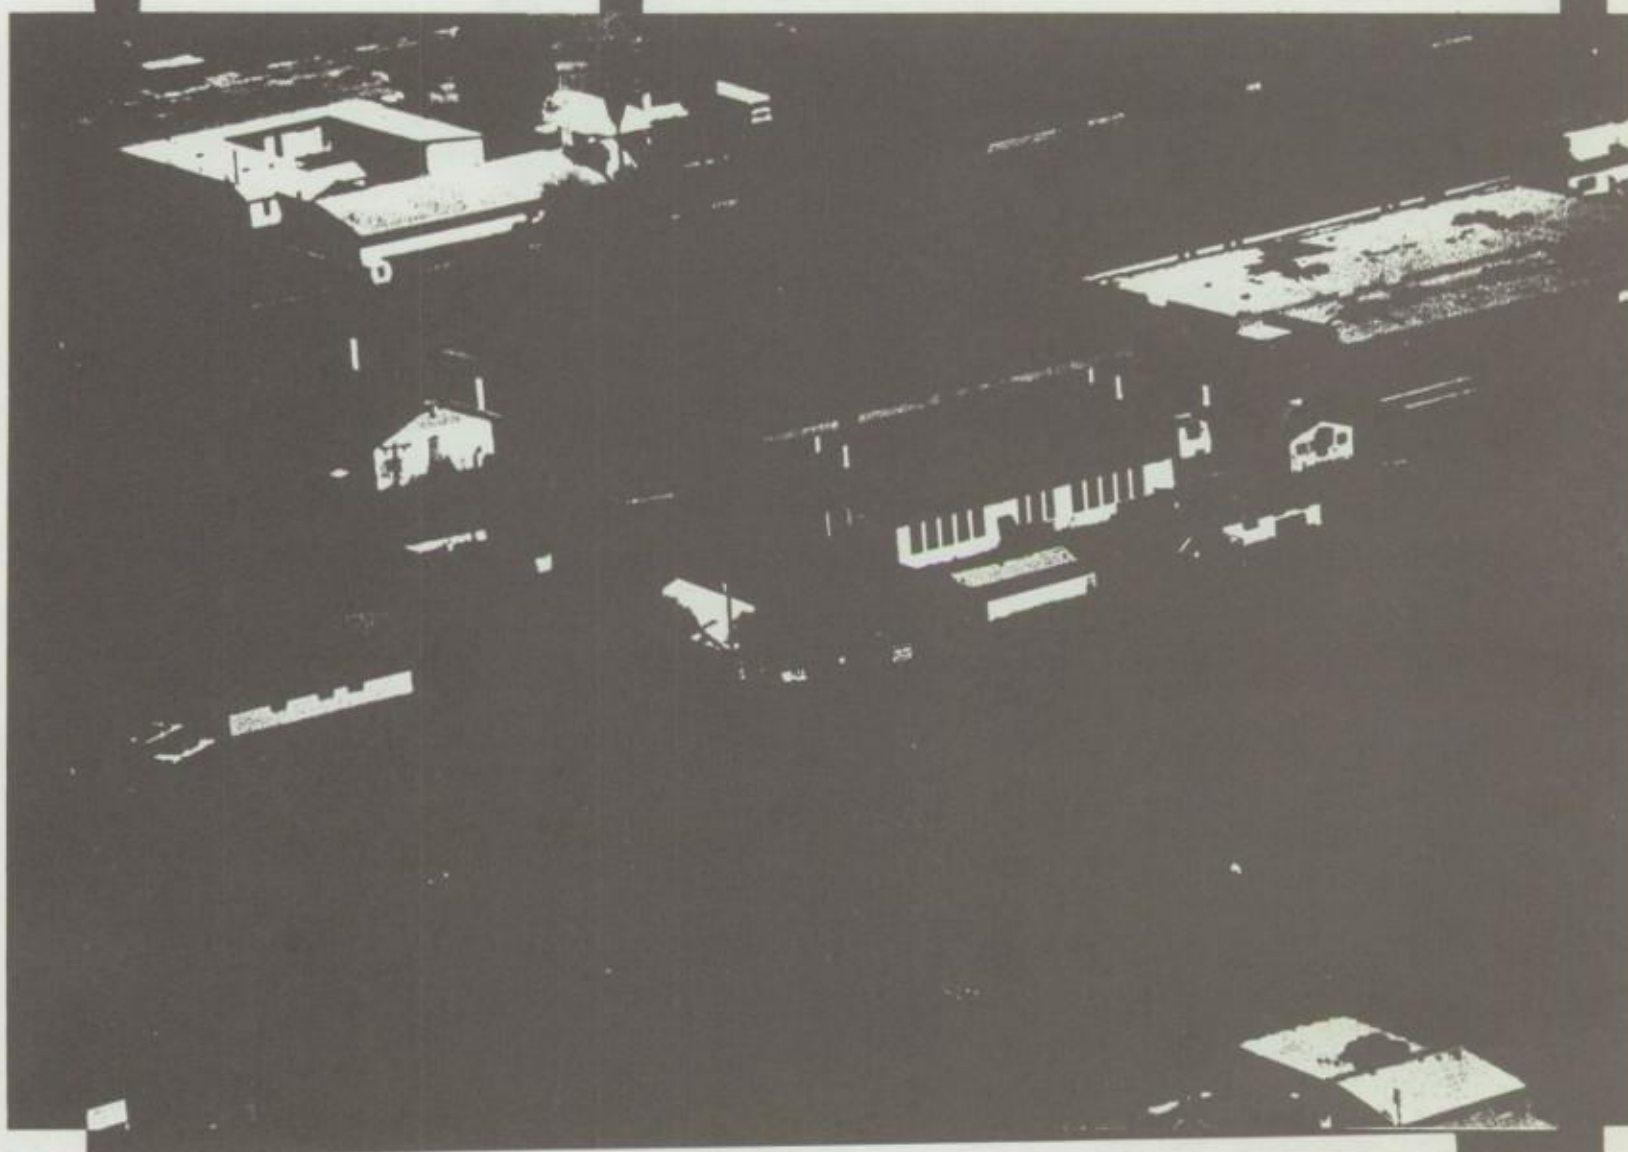

DEDICATION

When dedicating a yearbook, the usual procedure is to dedicate it to someone who has performed outstanding service in his or her field for the community. This year, we have noticed many people who have served the school and community, and have found it difficult to choose one person above all others.

We therefore decided that the yearbook should be dedicated to you of the Laveen community and Laveen School for your efforts in creating a fine school district. We thank you.

CLUBS & ORGANIZATIONS

CHESS CHAMPIONS

The Chess Club is sponsored through our seventh- and eighth-grade Literature classes. Tournaments are held in each class. Any student may enter a double elimination tournament, and the top two winners are members of our club. The champion in each class then enters another double elimination tournament, and when this is over, we have a school champion and runner-up.

Members of the Chess Club are: Randy Hancock, Robert Fohrenkam, Danny Brown, Mark Smith, Nancy Gilman, Rudy Martinez, Kris Richins, Brian Gilman, Albert Peshlakal, Barry Moffett, Troy Davis and Ronnie Gentile.

This year, the champion is BRIAN GILMAN (8th grade) and the runner-up is DANNY BROWN (8th grade). Both boys played long and hard for this honor. We are looking forward to next year, and know we will have many good players entering.

CHORUS

Junior High Chorus had its beginnings at Laveen campus in 77-78. A concert was planned each term. At Christmas, they visited Cash campus with the "T'was the Night Before Christmas" rendition. The members who prepared for the March Chorus Festival were treated to a field trip to a CHHS musical. Next on the calendar were preparations for graduation music.

SAFETY PATROL

School Safety Patrol is an organization of boys and girls from the Junior High who help their schoolmates avoid accidents on the bus. The Patrol member's job is to remind children of safety rules learned in the classroom.

INDIAN CLUB

The Laveen Indian Club is open to any fourth- through eighth-graders interested in learning about, and preserving, the Indian culture.

Never before in the known history of Laveen Junior High has there been an 8th grade football team like the one that has just concluded their season. Some startling statistics are: Of the nine games played, not one was lost - an undefeated season. The team averaged a whopping 18.5 points per game scored, while the average points scored against the Hawks was a mere 3.3 points per game. As a result of beating Sullivan Elementary School 33 to 12, and M. C. Cash School 12 to 0 in the playoff games, the 8th grade team earned the #1 position in the Estrella League Conference.
